Green LMU

1st in the 2022 campus Race to Zero Waste Competition (formerly Recyclemania) in Food Organics, Diversion, and Per Capita Recycling, over 1 MWh a year of clean energy produced on campus from solar. LMU also gained recognition as a United Nations observer, membership of the United Nations Principles for Responsible Management Education (PRME) and a signatory of the United Nations Principles for Responsible Investment.

LMU has reduced its water consumption by nearly 2 million gallons per year (estimated).

• removed 210,000 square feet of turf on Drollinger Field, which saved an additional estimated 1 million gallons of water
• replaced aging washing machines with Energy Star Units that save an estimated 880,000 gallons a year
• installed low-flow aerators on sinks and low-flow shower heads across campus to reduce sink and shower water consumption by 55%.

100% of campus sprinklers respond automatically to local weather conditions.

About three-quarters of the campus uses reclaimed water for irrigation.

Started recycling in 1990, first campus-wide collegiate recycling program in California, 1993

One of the first campuses in the state to recycle 100% of green waste.

LMU has eight LEED-certificated buildings, silver and gold.
